

ORDINANCE ESTABLISHING PREVAILING WAGE RATES

WHEREAS, the State of Illinois has enacted, "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, City, or any public body or any political subdivision or by anyone under contract for public works", approved June 26, 1941, codified as amended, 820 ILCS 130/1 et seq. (1993), formerly Illinois Revised Statutes, Chapter 48, par. 39s-1 et seq., and

WHEREAS, the aforesaid Act requires that the Board of Trustees of Nokomis, City of investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of Nokomis, City of employed in performing construction of public works, for said Board of Trustees.

NOW THEREFORE, BE IT ORDAINED BY

Nokomis, City of:

SECTION 1: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, County, City or any public body or political subdivision or any one under contract for public works," approved June 26<sup>th</sup>, 1941 as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the Board of Trustees is hereby ascertained to be the same as prevailing rate of wages for construction work in the Montgomery County area as determined by the Department of Labor of the State of Illinois as of June 20 06 a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the Board of Trustees. The definition of any terms appearing in this ordinance which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the Board of Trustees to the extent required by the aforesaid Act.

SECTION 3: The Board of Trustees shall publicly post or keep available for inspection by any interested party in the main office of the Board of Trustees this determination or any revisions of such prevailing rate of wage. A copy of this determination or the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

SECTION 4: The Board of Trustees shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and particular class of workers whose wages will be affected by such rates.

SECTION 5: The Board of Trustees shall promptly file a certified copy of this Ordinance with BOTH the Secretary of State Index Division and the Department of Labor of the State of Illinois.

SECTION 6: The Board of Trustees shall cause to be published in a newspaper of general circulation within the area a notice of this Ordinance, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

ADOPTED this 26th day of June, 20 06.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

#### EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

#### Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217/782/1710 for wage rates or clarifications.
