

AN ORDINANCE ASCERTAINING
THE PREVAILING RATE OF WAGES
FOR LABORERS, WORKMEN AND MECHANICS
EMPLOYED ON PUBLIC WORKS

WHEREAS the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, being Sections 1 through 12, Illinois Compiled Statutes, Chapter 820, Act 130,

AND WHEREAS the aforesaid Act requires that the City Council of the City of Nokomis investigate and ascertain the prevailing rate of wages as defined in the said Act for laborers, mechanics and other workers in the locality of the City of Nokomis employed in performing construction of public works for the said City,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NOKOMIS:

Section 1: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, county, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this local-

ity for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of this City is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Montgomery County area as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. The definition of any terms appearing in this Ordinance which are also used in the aforesaid Act shall be the same as in the said Act.

Section 2: Nothing herein contained shall be construed to apply the said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of this City to the extent required by the aforesaid Act.

Section 3: The City Clerk shall publicly post or keep available for inspection by any interested party in the main office of this City this determination of such prevailing rate of wage.

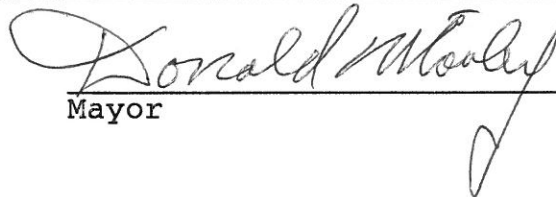

Section 4: The City Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by

such rates.

Section 5: The City Clerk shall promptly file a certificate copy of this Ordinance with both the Secretary of State (Index Division) and the Department of Labor of the State of Illinois.

Section 6: The City Clerk shall cause to be published in a newspaper of general circulation within the area a copy of this Ordinance, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

The following list is considered as those days for which holiday rates of wages for work performed apply:

New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If there is no such definition on file, the Bureau of Labor Statistics SIC list will be used. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. Further, if no such neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217/782/1710 for wage rates or clarifications.
